**RESOURCE MOBILIZATION POLICY**

## RESOURCE MOBILIZATION POLICY

KUPPAM ENGINEERING COLLEGE gets most of its funds from students' fee. 70% of the seats are filled through AP EAPCET (Engineering and Pharmacy Common Entrance Test) Entrance Test conducted by the government in the month of May/June every year.

The fee is fixed by Andhra Pradesh Fee Regulatory Committee (AFRC) for every three years to all the courses in which students are admitted through convener (70%) and management quota (30%).

The policy of the college to use the college funds only for the development of the institution and not with profit motto. 60% of the college budget is spent towards salary and remaining 40% is spent for development. Funds received from various funding agencies towards research and other purposes will be used for the said purpose.
